On August 23, 2011, the United States filed *United States v. Walter Liew and Christina Liew*, No. CR-11-0573-RS. On February 7, 2012, the United States filed a superseding indictment in said action. (*Id.* at Docket # 64.) On March 12, 2013, the United States filed a Second Superseding Indictment. (*Id.* at Docket # 269.) On or about January 7, 2014, trial began in the criminal action. On March 5, 2014, the jury returned its verdict, finding Mr. Liew and USAPTI guilty of all counts with which they were charged. (*Id.* at Docket # 804.)

Mr. Liew's sentencing in the criminal case was scheduled initially to take place on June 10, 2014, but was continued to July 10, 2014. (*Id.* at Docket # 863.) As the Court's disposition of the restitution issue may affect the further course of this case, the parties request that the stay be extended an additional 30 days, to and including July 30, 2014, at which time the parties will report to the Court regarding their proposals for further proceedings.
